The media tells us we can have the woman just as easily as we can the new bacon double cheeseburger. It's all there for the taking. Women can't win in this world. There seem to be only two positions open to us. The first is the role media creates, in which women exist only for the pleasure of men, to be walking,...

Ask For It: How Women Can Use the Power of Negotiation to ...

The premises is critical for all women - if you don't ask you'll never get what you want, and ask for more than what you think you could get so there's a negotiation. We instinctively do this as toddlers, throw tantrums to get what we want; but somewhere before we turn adults, boys learn that taking risks by asking is reasonable, while girls wait for boys to ask them out.
