Back Mechanic by Dr. Stuart McGill (2015-09-30): Dr ...
I went to all kinds of back specialist doctors but wanted to avoid surgery if anyway possible. After much research and reading everything possible about back pain, I found Stuart McGill's book about lower back problems and all the study and research he had done. His book was very technical and hard to read for the average person.

Book Review: Back Mechanic by Stuart McGill. There is a section exploding the common myths and misconceptions concerning back health. For instance, when my son hurt his back, he was told that the problem was his tight hamstrings and he spent years stretching out his hammies trying to alleviate the back pain.

Amazon.com: Back Mechanic by Dr. Stuart McGill (2015-09-30 ...
While awaiting that, I read Back Mechanic and started practicing Dr. McGill's method, which incorporates a theory unlike the philosophies of the PT world and that of the god, Joseph Pilates. (Dr. McGill is a true iconoclast.) I cancelled the injection. The large point Dr. McGill makes in the book, back conditions will heal on their own.
