Chineasy: The New Way to Read Chinese: ShaoLan Hsueh, Noma ...

Chineasy is a book full of Chinese characters and illustrations designed to make learning to read Chinese characters fun and easy. Each character is incorporated into a drawing to help illustrate the meaning. Initially, I had fun trying to understand the characters and the meanings. It felt like solving a puzzle.

Chineasy The New Way To

In Chineasy, she teaches the key characters, called radicals, that are the language's foundation, and then shows how they can be combined to form new words and even phrases. Once you've mastered these key characters, you can practice your skills with three stories—a fairy tale, an Asian legend, and a contemporary fable—told using the radicals.

Amazon.com: Customer reviews: Chineasy: The New Way to ...

Chineasy: The New Way to Read Chinese by Shaolan Hsueh My rating: 4 of 5 stars. There are very few beautiful language learning tools out there. This is one of them. The myth of Chinese language is nearly always the same: the learning process is arduous, the speech itself - shrouded in mystery and unforgiving for beginners.

Chineasy-The New Way to Read Chinese by ShaoLan

Chineasy™ is a new visual method created to make reading Chinese characters fun and easy. My Review of "Chineasy: The New Way to Read Chinese ...

Chineasy Methodology. The child then starts grouping elements and soon he/she realizes that no matter how fancy and complicated the models are, they are all built out of the same set of building blocks. Most Chinese characters are built out of roughly 100 building blocks. ShaoLan, Creator of Chineasy, designed a program that correlated each character...
