### Everything but Espresso | Open Library

The grinder is the most important piece of equipment in an espresso bar. Grind-ers are usually overshadowed by more expensive, flashier espresso machines, but grinder quality is arguably the single most important factor in preparing a great espresso. A quality grinder must:

- Produce the proper particle sizes to provide adequate flow resistance.

### Everything But Espresso — Common Room Roasters

Scott Rao's first book, The Professional Barista's Handbook, is great. So I was excited to read Everything But Espresso--it does not disappoint. Espresso and espresso drinks are wonderful, but my preference is to enjoy these at a great cafe. Brewed coffee--whether drip, French press, pour over, siphon, or Aeropress--is my preference at home.
