Testing fuses on your Honda

The Honda Airwave is a subcompact car produced by the Japanese automaker Honda from 2005 to 2010. It was a five-door station wagon version of the first generation City/Fit Aria and Fit/Jazz, which was a sedan and a hatchback respectively. The Airwave was built on the Global Small Car platform; however, unlike the City and Fit, the Airwave was ...

Check your fuses first, it's underneath the steering wheel near the bonnet release. Thanks, was planning to do that over the weekend. I am thinking it might be the fuse as I drive long distances and have the mobile phone/GPS charger plugged in most of the times. Not sure if that leads to overheating and blowing the fuse.
