Lesson Plans - WordPress.com

I think the strengths of goalball are the lesson plans. Goalball is one of those sports that you have to play to be very familiar with so having those sample lesson plans would be a great tool. A weakness with goalball is that not many kids can play at one time (of course you can adapt this) and it would be a slow process to teach the basics even.

PEC: Lesson Plans for Physical Education

They are not usually taught in isolation of each other, and skills from all areas are needed to participate in a game or sport.The Elementary Lesson Plans in particular will focus on these skills in warm-up and pre-game activities to ensure that they are being given the building blocks of physical literacy.Individuals with visual impairments ...
