Marijuana - HISTORY

A Holistic Approach. .One major difference between conventional, Western medicine and traditional African medicine, is the way of viewing illnesses and their treatments. Unlike its Western counter-part, traditional African medicine is said to take a holistic approach, which is based on the premise of interconnectedness, and often includes indigenous herbalism in its treatment.

Medicine Stories : History, Culture and the Politics of ...

In Medicine Stories, Levins Morales writes lucidly about the complexities of social identity. Her lyrical meditations on ecology, children's liberation, sexuality, and history show how political transformation and personal healing are inextricably bound. Levins Morales is a survivor of childhood sexual abuse and was raised as a Jewish red diaper baby in the mountains of Puerto Rico.At the ...

Marijuana, also known as cannabis or pot, has a long history of human use. Most ancient cultures didn't grow the plant to get high, but as herbal medicine.

Medicine Stories History Culture And

I call the work I do "cultural activism" because it does battle in the arena of culture, over the stories we tell ourselves and each other of why the world is as it is. It's a struggle for the imaginations of oppressed people, for our capacity to see ourselves as human when we are being treated inhumanely.
