### Wiring service for a new millermatic 210 - Miller Welding ...

Hi, I am new to the forum and could use a little help. I have a Millermatic 210 that I have had for about 6 years. It has always worked just fine, only gets used about 20 hours a year at most. I got all set up to do some welding on a trailer last night and when I turned the welder on nothing happened. Checked my power supply, no problems. Took the side cover off and put a meter on the ON/OFF ...
