### **Lasegretaria privata dimiopadre(1976) - OLD MOVIE CINEMA**

I Hunt Killers is dark, disturbing, claustrophobic and risky. It's also a reminder of what GOOD YA fiction used to be like (with some notable exceptions) until it got dumbed-down by authors and/or publishers who seem to operate under the (mistaken) assumption that teens need to be talked down to and the stories need to be more simplistic.
