How to Reduce Air Pollution | Green Wiki | Fandom
Mind Pollution is the first episode in the second season of Captain Planet and the Planeteers. It was written by Doug Molitor. Rather than dealing with any environmental problem, the Planeteers have to face the issue of drugs and what can happen to a polluted mind. It becomes personal when Linka's cousin, and eventually Linka herself, become "polluted" by Skumm's latest experiment; a designer ...

Water pollution - Wikimedia Commons

Pollution is the introduction by man, directly or indirectly, of substances or energy into the marine environment resulting in deleterious effects of such nature as to endanger human health, harm to living resources and ecosystems, hinder marine activities - including fishing -, and impair or interfere with amenities or other legitimate uses of the environment.

Air pollution - Wikipedia

Pollution is when harmful substances are added to the environment and then change it in a bad way. There are five kinds of pollution of the environment: water pollution, air pollution, noise pollution, soil pollution and thermal pollution.. As pollution grows, ways to combat it have grown. Solar energy and wind energy give people clean ways to power their homes.
