Antique Radio Forums • View topic - mic wiring shure 444

I had a new Shure 444D back in 1980 hooked up to a Yaesu FT200B & received many complimentary unsolicited audio reports. Eventually the radio & 444D were sold together. Years & many radios & microphones later (you know how it goes!) I recently bought a new Yaesu FTdx1200 & wanted a desk mic for it.

So it start over with mike, new connector and now hopefully another wiring diagram for the 526T and I will be back in business. Thank you for my request and hopefully I'll be back on the air with the T4XC and 526T. At 01/17/2001 09:11 PM you wrote - Is there a difference between the 526T and the 526T series 2 in the wiring diagram.

Shure 444D Manuals and User Guides, Microphone Manuals ...

The 444D's, like many of our communications microphones, was manufactured without a connector. Connectors were added by dealers or by radio manufacturers who bought the microphones for their radios. So, there was no "standard" connector for this microphone.
