Strategy Selection Process The process of selecting the correct option strategy is all about elimination. Eliminating strategies that do not work for that current market set up regardless of how good that might seem at the time to use.

Strategies for Selecting and Verifying Hearing Aid ...

Strategies and plans define how objectives can be achieved. Each organization has three basic levels: the corporate level, the business level, and the functional level. At each level, different types of strategies are analyzed, evaluated, and selected. At the corporate level, there are the stability, growth, and retrenchment strategies.
