The Four Aces - Tell Me Why (1951)

Instead of "it will rain sometime today," why not get weather forecasts more like "heavy rain starting in five minutes, and lasting for 45 minutes?" Weather apps and websites are a dime a dozen. Most of them tell you whether it'll be sunny, cloudy, or rainy on any given day. But Dark Sky offers something a bit different.

The Kid LAROI - Tell Me Why (Dir. by @ ColeBennett_)

For some, rain is a direct association to its common theme of gloom and sadness, but a lot of people are immediately happier and can completely alter their mood for the rest of the day. I wanted to go further into the reasons behind this difference and see how the mind has been discovered alongside the world's fickle weather patterns.
