Has anyone else read The Very Soil: An Unauthorized Critical Study of Puella Magi Madoka Magica? (self.MadokaMagica) submitted 3 years ago by gianttabby. While the anime and movie have already come out and all things are said and done, I was wondering if anyone else read the book that analyzes PMMM?

### Grasshopper Point | The Free Range Naturalist

The use of lime here is not to dry the soil, it is already in a desiccated state, but to control the soil during very dry and very wet periods. As the lime needs moisture to work properly, they have developed a technique whereby the lime is added in liquid form from spray bars after pre-mixing with water immediately before application.
