Ubuntu is a Nguni Bantu term meaning "humanity." It is often translated as "I am because we are," or "humanity towards others," but is often used in a more philosophical sense to mean "the belief in a universal bond of sharing that connects all humanity." In Southern Africa, it has come to be used as a term for a kind of humanist philosophy, ethic, or ideology, also known as Ubuntuism propagated in the Africanisation process of these countries during the 1980s and 1990s. Since the transition to
