Caernarfon's town walls are a medieval defensive structure around the town of Caernarfon in North Wales. The walls were constructed between 1283 and 1292 after the foundation of Caernarfon by Edward I, alongside the adjacent castle. The walls are 734 m (2,408 ft) long and include eight towers and two medieval gatehouses. The project was completed using large numbers of labourers brought in from ...

HoW - Heritage of Walls

"Walls of Heritage / Walls of Pride," which I first browsed, then read, reread, and loved, has greatly added to my understanding of the background and context of African-American murals. The essays, the time chart, and the comments by the artists on their own works, in addition to the beauty of the paintings and the presentation, have added to my enthusiasm for and appreciation of this vibrant ...
